👤 About Me

Software Engineer with a strong foundation in programming, system analysis, and full-stack development. Experienced in building, maintaining, and supporting scalable applications using Java, JavaScript, SQL, Node.js, and REST APIs. Skilled in problem-solving, technical analysis, and adapting to enterprise technologies. Eager to contribute to mission-critical products and continuously learn modern and proven tech stacks through structured training and real-world projects.

⚙️ Technical Skills

Front-End

- HTML 5
- CSS
- Bootstrap
- Axios
- React Js
- JQuery
- Javascript
- Java

Back-End

- MongoDB
- Expressjs
- MySql
- jwt
- Node.js
- Rest Api
- Django
- python

Version control

Git & Github

Tools

- Postman
- Thunderclient

✂️ Personal Skills

- Problem solving & Troubleshooting
- Content Creation Skill
- leadership skill
- Reliable and Professional

🗣️ Language Known

- English: Proficient
- Hindi: Intermediate
- Malayalam: Native

💼 Work Experience

Software Developer Engineer – SkillHaara, Thrissur

Jul 29, 2025 – Present

Working as a MERN Full-Stack Developer, providing in-depth training on full-stack web technologies including MongoDB, Express.js, Angular, React.js, and Node.js.

8 Month Internship on MERN Stack at Aesthetix-Edutech

Completed a 8-month hands-on internship focused on MERN Stack (MongoDB, Express.js, React.js, Node.js) at Aesthetix-Edutech. Worked on real-world projects and gained practical experience in building full-stack web applications.

💡 Projects

SIIT Software Training Institute Website

Built a fully responsive and visually engaging website for SIIT Software Training Institute, designed to promote software training programs and enhance the institute's online presence. The project aimed to provide potential students with easy access to course information, schedules, and contact details, while maintaining a professional and modern look.

Technologies used : HTML5,CSS,JavaScript,Bootstrap

Rhythmic-Ecommerce shopping website Instruments

Rhythmic-Ecommerce is a online platform dedicated to the sale of musical instruments. Offering a wide range of instruments including guitars, keyboards, drums, and more.
